

Directive

9180.74

10-01-13

SERVICE FEES AND BILLING CODES

1. PURPOSE

This directive transmits the fee schedule and billing codes for official services performed by the Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service (FGIS), under the United States Grain Standards Act, and the Agricultural Marketing Act of 1946. Additionally, the directive transmits the fee schedule for supervision of grain inspection and weighing services applicable to official inspection agencies.

2. REPLACEMENT HIGHLIGHTS

This directive replaces FGIS Directive 9180.74, dated 05-01-13.

Official Inspection and Weighing Services fees will change effective October 1, 2013, as published in the Federal Register (78 FR 22151) on April 15, 2013. .

3. AUTHORITIES

The United States Grain Standards Act, as amended

The Agricultural Marketing Act of 1946

Title 7, Code of Federal Regulations, Parts 800 and 868

4. POLICY

Fees assessed by FGIS for official services shall be reasonable, nondiscriminatory, and cover the estimated cost of the service. These costs include direct, administrative, and supervisory costs related to these services.

5. FEES AND BILLING CODES

The attachments transmit the fees and billing codes for official services provided by FGIS.

Attachment 1- Fees for grain inspection and weighing services in the United States and
Canada

Attachment 2- Fees for supervision of grain inspection and weighing services in the
United States

Attachment 3- Fees for rice inspection services

Attachment 4- Fees for commodity inspection services

Attachment 5- Fees for laboratory tests

6. INQUIRIES

All questions about fees or billing codes should be directed to the Deputy
Administrator, FGIS, at (202) 720-9170.

Direct all general inquiries regarding the agency's budget to the Director, MBS at (202)
720-0231.

²Canada fees include the noncontract hourly rate, the Toledo field office administrative fee, and the actual cost of travel.

³Fees apply to original inspection and weighing, re-inspection, and appeal inspection service and include, but are not limited to, sampling, grading, weighing, prior to loading stowage examinations, and certifying results performed within 25 miles of an employee's assigned duty station. Travel and related expenses will be charged for service outside 25 miles as found in

section 800.72(a).

⁴Hourly fees will be assessed in ¼-hour increments for each service representative.

⁵Overtime rates will be assessed for all hours in excess of 8 consecutive hours that result from an applicant scheduling or requesting service beyond 8 hours, or if requests for additional shifts exceed existing staffing.

⁶Tests or services performed that are not listed in this schedule should be billed at the applicable non-contract hourly rate with G240 as the rate code used.

⁷Appeal and re-inspection services will be assessed the same fee as the original inspection service.

⁸Applicant must provide the test kit, instrument hardware, calibration control, and all supplies required by the test kit manufacturer.

⁹The administrative fee is assessed on an accumulated basis beginning at the start of the service's fiscal year (October 1 each year).

¹⁰Administrative fee is assessed on export grain inspected and/or weighed, excluding land carrier shipments to Canada and Mexico.

¹Fees apply to original inspection and weighing, re-inspection, and appeal inspection service and include, but are not limited to, sampling, grading, weighing, prior to loading stowage examinations, and certifying results performed within 25 miles of an employee's assigned duty station. Travel and related expenses will be charged for service outside 25 miles as found in section 800.72(a).

²An additional charge will be assessed when the revenue from the services in Schedule A, Table 2, does not cover what would have been collected at the applicable hourly rate as provided in section 800.72(b).

³Applicant must provide the test kit, instrument hardware, calibration control, and all supplies required by the test kit manufacturer.

⁴If performed outside of normal business, 1½ times the applicable unit fee will be charged.

⁵Tests or services performed that are not listed in this schedule should be billed at the applicable non-contract hourly rate with G240 as the rate code used.

⁶If, at the request of the Service, a file sample is located and forwarded by the Agency, the Agency may, upon request, be reimbursed at the rate of \$3.30 per sample by the Service.

⁷Board appeal inspections are based on file samples.

⁸If a ship has had, and passed, a stowage examination at one port location but not loaded all holds examined and then moved to another port, the subsequent stowage examination shall not be charged the minimum hold fee but only the per hold unit charge.

⁹Testing fees are applicable to any level of service (original inspection, re-inspection, appeal inspection, or Board appeal inspection) and do not include a sampling service fee which, if applicable, will be assessed separately in accordance with the fees in this schedule.

²The hourly rate includes sampling, grading, weighing, and other services requested by the applicant when performed at the point of service.

³Hourly rates are assessed in ¼ -hour increments for each service representative.

⁴Rate code R7XX should only be used when there is no other rate code that matches the service performed. In those cases when R7XX is used, the actual dollar amount billed should be entered into GIPSA Billing Application.

⁵The unit rates apply to determinations (original or appeal) for kind, class, grade, factor analysis, equal to type, milling yield, or any other quality designation as defined in the U.S. Standards for Rice or applicable instructions, whether performed singly or combined at other than the point of service.

⁶Interpretive line samples may be purchased from the U.S. Department of Agriculture, Grain Inspection, Packers and Stockyards Administration, FGIS Technical Services Division, Board of Appeals and Review, 10383 North Executive Hills Blvd., Kansas City, Missouri 64153-1394. Interpretive line samples are also available for examination at selected FGIS field offices. A list of field offices may be obtained from the Director, Field Management Division, 1400 Independence Avenue SW, STOP 3630, Washington, DC 20250-3630. The interpretive line samples illustrate the lower limit for milling degrees only and the color limit for the factor "Parboiled Light" rice.

⁷This is a unit fee per hundred weight (C.W.T.) for all rice inspection services performed on lots at rest at export locations; e.g., condition examination of sacked rice at a dockside warehouse.

⁸A fee for extra copies will be assessed when more than the original and three copies of a certificate are requested for any kind or level of official service.

⁹If performed outside of normal business hours, 1 ½ times the applicable unit fee will be charged.
