**My Details:** Patricia Donohue Galvin | GIPSA | Current Module: PART

## PERFORMANCE MEASURES REPORT

- In Progress by the Agency user
- Approved by Administrator
- Approved by Mission Area
- Approved by OBPA
- Approved by OMB

Report Parameter: PART name: Federal Grain Inspection Services |

Add to My Favorite

**Type of Program:** Regulatory Based  
**Name of Program:** Federal Grain Inspection Services  
**Program ID:**  
**Agency:** USDA  
**Agency:** GIPSA  
**Budget Year:** FY07

**Measure #** Measure 1 ●  
**Measure Term** Annual  
**Measure Type** Outcome  
**Measure Description** Percentage accuracy of the official inspection results (statistical quality).  
**Explanation of Measure** GIPSA's goal is to achieve the highest statistically sound level that documents the accuracy of the agency's inspection results given established tolerances and statistical variation.  
**New/Development/Revision** N/A  
**Summary Report Display** N/A

| Measure Details | Time Frame | Target | Actual | Development: Baseline/Target | Summary Report Display |
|-----------------|------------|--------|--------|------------------------------|------------------------|
| 1               | 2004       | 96%    | 96.3%  |                              | N/A                    |
| 1               | 2005       | 97%    | 96.1%  |                              | N/A                    |
| 1               | 2006       | 97.5%  | 99.2%  |                              | N/A                    |
| 1               | 2007       | 99.2%  |        |                              | N/A                    |
| 1               | 2008       | 99.2%  |        |                              | N/A                    |

**Measure #** Measure 2 ●  
**Measure Term** Long-term  
**Measure Type** Outcome  
**Measure Description** Percent of total U.S. grain exports traded without disruptions or reported quality discrepancies.  
**Explanation of Measure** This measure indicates the accuracy and reliability of FGIS' quality measurements, and the success of our efforts to ensure that at all of America's international trading partners understand how quality is determined.  
**New/Development/Revision** N/A  
**Summary Report Display** N/A

| Measure Details | Time Frame | Target | Actual | Development: Baseline/Target | Summary Report Display |
|-----------------|------------|--------|--------|------------------------------|------------------------|
|-----------------|------------|--------|--------|------------------------------|------------------------|

|   |      |      |       |     |
|---|------|------|-------|-----|
| 1 | 2004 | 99%  | 99%   | N/A |
| 1 | 2005 | 99%  | 99.6% | N/A |
| 1 | 2006 | 99%  | 99%   | N/A |
| 1 | 2007 | 99%  |       | N/A |
| 1 | 2008 | 100% |       | N/A |

**Measure #** Measure 3 

**Measure Term** Long-term

**Measure Type** Outcome

**Measure Description** Percent of market-identified quality attributes for which GIPSA has provided standardization.

**Explanation of Measure** This measure evaluates GIPSA's effectiveness at facilitating marketing through promoting the introduction of more enhanced-valued crops, reducing trade disputes resulting from conflicting descriptions of crop quality and value, and minimizing the cost of transactions between buyer and seller in both the domestic and global markets.

**New/Development/Revision** N/A

|                 | 1 2009     | 98.0%  |        |                              | N/A                    |
|                 | 1 2010     | 100%   |        |                              | N/A                    |

**Measure #** Measure 4 

**Measure Term** Annual

**Measure Type** Output

**Measure Description** Number of official United States grain standards reviewed

**Explanation of Measure** This measure reflects the number of official grain standards that the agency reviews on an annual basis to ensure that the quality attributes contained in the standards reflect the current needs of the market.

**New/Development/Revision** N/A

|                 | 1 2008     | 9      |        |                              | N/A                    |

**Measure #** Measure 5 

**Measure Term** Annual

**Measure Type** Efficiency

**Measure Description** GIPSA measures the efficiency of its oversight of official agencies for inspection services (shown as a dollar value per inspection).

**Explanation of Measure** GIPSA authorizes States and private entities (official agencies) to perform a variety of services under the oversight of GIPSA personnel as measured by the cost of oversight per official agency inspection.
